

A block of rooms has been reserved for PSAN at the Holiday Inn at **\$104.95** until July 1st. Please let the Holiday Inn know you are with PSAN when making reservations.

There are numerous other hotels, many within walking distance to the Holiday Inn Conference Center.

Seminar fees include Thursday lunch, Friday lunch, and Thursday evening banquet meal.

In the event of a participant cancellation, a refund may be requested ***in writing*** to PSAN Administrative Secretary, Gwen Bowers. Costs already incurred by PSAN for meals may not be refunded. The actual amount refunded will be determined by the PSAN Conference Committee.

This year's Thursday evening banquet will include a raffle only, not an auction. Any items donated to PSAN for the auction will be held over to the Winter 2022 Conference. Please contact PSAN for more details.

The Past President's Breakfast will be held Friday morning, 7/23, at 7:00AM CT. The room is to be determined.

**Host
Dan Martinez**

Keynote Speaker

David Doyle

Dave Doyle joined the National Geodetic Survey in 1972, and held the position of chief geodetic surveyor at his retirement in January, 2013. He was responsible for the development, technical design and management of plans and programs that enhance the United States National Spatial Reference System. Mr. Doyle began

his career as a geodetic surveyor in the U.S. Army in 1967, and served on numerous survey campaigns until completion of his military service in 1970. From 1970 until 1972, he worked for a private surveying company near Washington D.C. where he was responsible for completing boundary, topographic and engineering surveys while pursuing undergraduate studies in geodesy, cartography and mathematics at the George Washington University. During his time at NGS his experiences included all phases of geodetic triangulation, astronomic positioning, leveling, GPS data collection, data analysis, datum transformations, network adjustments, and data publication. Mr. Doyle's activities have included extensive efforts on the development and implementation of the North American Datum of 1983, the North American Vertical Datum of 1988, the Puerto Rico Vertical Datum of 2002 and the Virgin Islands Vertical Datum of 2009. Mr. Doyle's activities include 35 articles on geodesy and geodetic surveying in national and local surveying publications and he has conducted more than 450 workshops and seminars detailing the various aspects of geodesy and the National Spatial Reference System.

Mr. Doyle is a past president of the American Association for Geodetic Surveying, a Fellow member of the American Congress on Surveying and has served on the U.S. delegation to the International Federation of Surveyors. Mr. Doyle is also an active member of the American Association for Geodetic Surveying and the District of Columbia, Maryland, and Virginia professional surveyors' associations.

Presentations include
Modernization of the National Spatial Reference System

History of Geodetic Datums of the United States

Guest Speaker

Gordon Decker

Gordon Decker is passionate about leadership and mentorship. He has a master's degree in administration from the University of South Dakota and extensive training in the areas of leadership and professional development, both through civilian and military experiences. He comes with 20 years of experience and training in Law Enforcement and 12 years in the Army National Guard, including the last 4 years as a Commissioned Officer and 2 wartime deployments, which one was to Iraq. He then went on to work in financial services and now is the sole steward of Shield Guide Services, where he uses his experience and knowledge to help individuals live a better life by making better decisions in their goals, priorities, and plans.

Presentation:

Mentorship as a Form of Leadership

Break-out Sessions

The Nelson Buck Massacre
Jerry Penry

Improved Elevation Certificate
Chuck Chase

The Art of Construction Surveying
Jeremy Feusner

United States Location Monuments
Jerry Penry

Carlson Precision 3D Topo
TransitWorks / Steve Cummings, software
developer with Carlson Software

Registration Form

Please fill out the entire form, detach and mail with payment to:

Gwen Bowers, PO Box 83206, Lincoln, NE 68501

Make checks payable to **PSAN**.

Please use one registration form for each person attending the seminar and make additional copies as necessary. Please register before the deadline.

Registrations must be received by:
July 9, 2021
to receive the "In Advance Rate"

2021 Summer Seminar

PSAN or NSPS Member in Advance \$200 _____
Non-Member in Advance: \$300 _____
SCC Land Surveying Student : \$0 _____
